Event Overview

United for the Holidays is a fun and festive holiday event developed by United Way of Metro Chicago in partnership with our generous corporate and agency partners. The event provides our neighbors in the West Chicago Neighborhood Network community with cold weather items, coats and toys to help make the holiday season brighter for over 500 individuals.

About United Way Of Metro Chicago

United Way of Metro Chicago brings together businesses, government, nonprofits, and community leaders to deliver funding, resources, and expertise to nonprofit organizations across greater Chicago. We are working alongside our partners at the neighborhood level to tackle the systemic issues that have plagued our region, helping to create communities where children and families can thrive.
